How Extraterrestrial Contact Can Transform Your Life
By Mary Rodwell

*"In my opinion this book will become the bible of the
Alien Abduction Phenomenon"*

Foreword by Dr. Roger Leir

Awakening

Many people around the world, from all walks of life, believe themselves to be in regular contact with beings from outer-space.

Mary Rodwell, trained midwife and therapist works with individuals said to be having these remarkable experiences. She claims they are not the product of over-active imaginations, quite the opposite, they are real and happening to normal, healthy people.

"Some people are aware of it, but many are completely in the dark as ET Contact comes in many forms - not everyone is being abducted by aliens! The process of waking up to this reality is not always easy, but the results are positively life changing, such as spiritual transformation and expanded awareness".

Are you ready to ask: "*Am I experiencing alien contact?*" Take the first step, let this book help you find out for yourself!
